**1. Introduction**

In emerging areas to achieve development targets in an efficient and effective manner at a faster pace, Government Departments need capacity building by engaging various Individual Consultants. Necessary amendments have been made in Punjab PPRA Rules 2014 which enable Planning & Development Board (P&DB) to short-list/pre-qualify Individual Consultants on yearly basis. In accordance to the instant amendments in PPRA Rules, 2014, all departments of Government of the Punjab may issue Terms of Reference (ToR) directly (without advertisement) to the Individual Consultants shortlisted by P&D Board to hire services under certain terms and conditions mentioned in Sub-Rules 6-10 of Rule No. 16 of PPRA 2014.

This Prequalification Document (PQD) enlists the criteria for Individual Consultants to be shortlisted in below given area/sector for following categories as per Sub-Rules 6-10 of Rule No.16 of PPRA 2014.

**i. Information Technology****2. Objective**

To support the development of IT related projects through providing services of design, development, quality assurance and testing for the planning and execution of small and large scale IT projects, supervision, appraisal, examination and vetting of project concept /third party validation.

A consultant is a recognized authority or specialist in a specific field, engaged by the Organization in an advisory or consultative capacity. The functions of a consultant are results-oriented and normally involve analysing problems, preparing documents, or writing reports on matters within their area of expertise.

**3. Scope of Work (Tentative)**

This scope of work is tentative for prequalification only. The specific duties and responsibilities will be detailed in specific Terms of Reference for each assignment which will be provided by the line department at the time of issuing TOR as per actual scope of work.

Moreover, duration of each assignment will vary in duration and it will be specified in TOR for each individual assignment given by the line department. However, this prequalification does not guarantee award of work by the line department. The tentative scope of work entails:

- Review Design of IT projects;
- Studies and review of alternatives for projects;
- Review, validate and recommend the design already prepared by the departments/consultants and recommending modifications where necessary;
