1. Introduction

In emerging areas to achieve development targets in an efficient and effective manner at a faster pace, Government Departments need capacity building by engaging various Consulting Firms/Companies. Necessary amendments have been made in Punjab PPRA Rules 2014 which enable Planning & Development Board (P&DB) to short-list/pre-qualify Consulting Firms/Companies on yearly basis. In accordance to the instant amendments in PPRA Rules, 2014, all departments of Government of the Punjab may issue Request for Proposal (RFP) directly (without advertisement) to the Consulting Firms/Companies shortlisted by P&D Board to hire services under certain terms and conditions mentioned in Sub-Rules 6-10 of Rule No. 16 of PPRA 2014.

This Prequalification Document (PQD) enlists the criteria for consultancy firm to be shortlisted in below given area/sector as per Sub-Rules 6-10 of Rule No.16 of PPRA 2014

- i. Health Sector
 - a. *Planning, designing and operations of hospitals and other public sector health facilities*
 - b. *Planning need assessment, designing, specification of medical equipment used for public sector hospitals and other public sector health facilities*
 - c. **Planning, designing and operationalization of hospital waste management system.**
 - d. *TPV of planning, designing of medical equipment and operations of hospitals and other public sector health facilities.*

2. Objective

To support the health sector projects especially hospitals through providing services of planning hospital waste management plan, assessment of medical waste, design of hospital waste management plan and adopting of technology in accordance with the context of developing country, laying down specifications, installation of equipment used in hospital waste management and developing IT based environment to monitor the segregation, storage and transportation of hospital waste, feasibility studies, third party analysis,

appraisal, examination and vetting of project concept /third party validation and gap analysis in their operation/execution especially operation of hospital waste management.

3. Scope of Work

This scope of work is tentative for prequalification only. The actual scope of work will be provided by the line department at the time of issuing RFP as per actual scope of work. However this prequalification does not guarantee award of work by the line department. The tentative scope of work entails:

- Quantitative assessment of medical waste in hospitals /health facility.
- Conduct survey to collect site information for use in the feasibility studies of medical waste.
- Assessment of current practices of segregation, storage and transportation of hospital waste and identification of gaps for improvement.
- Preparation of detailed feasibility studies/reports.
- Incorporation of information technology in planning stage to get optimum results during segregation, storage and transportation of medical waste.
- To develop engineering design including all process, mechanical, electrical and control engineering aspects and to prepare design specifications and functional requirements of hospital waste management.
- Assessment of current knowledge assessment and practices regarding segregation of medical waste and infection control in hospitals/health facility.
- To conduct economic analysis of hospital waste management plan (predicted benefit to cost ratio)
- Performance & Impact Evaluation of adopted hospital waste management system.
- Assessment of risks and impact on health related with hospital waste.
- To identify the gaps/shortfalls during the operation of the waste management plan and recommend the solutions of the shortcomings.

- To identify the resistances/hurdles during the whole period of execution of the project. Social / socio-economic issues with respect to project implementation of health sector project;
- Provide technical support to install, start-up, testing, commissioning, and operations of plants/equipment.
- Any other tasks assigned by the client / executing agency or department.

4. Eligibility Criteria
