1. Introduction

In emerging areas to achieve development targets in an efficient and effective manner at a faster pace, Government Departments need capacity building by engaging various Individual Consultants. Necessary amendments have been made in Punjab PPRA Rules 2014 which enable Planning & Development Board (P&DB) to short-list/pre-qualify Individual Consultants on yearly basis. In accordance to the instant amendments in PPRA Rules, 2014, all departments of Government of the Punjab may issue Terms of Reference (ToRs) directly (without advertisement) to the Individual Consultants shortlisted by P&D Board to hire services under certain terms and conditions mentioned in Sub-Rules 6-10 of Rule No. 16 of PPRA 2014.

This Prequalification Document (PQD) enlists the criteria for Individual Consultants to be shortlisted in below given area/sector for following categories as per Sub-Rules 6-10 of Rule No.16 of PPRA 2014.

- i. Power, Energy & Renewable Energy (Solar, Bio, and Wind etc.)
 - a. *Hydro Energy*
 - b. ***Solar Energy***
 - c. *Bio Mass*
 - d. *Wind Energy*
 - e. *Thermal Energy*

2. Objective

To support the solar energy related projects or concept (proposals) through providing services of design, feasibility studies, surveys, geotechnical and land requirement study and associated investigations, examination and vetting of project concept / third party reviews or validation.

A consultant is a recognized authority or specialist in a specific field, engaged by the Organization in an advisory or consultative capacity. The functions of a consultant are results-oriented and normally involve analyzing problems, preparing documents, or writing reports on matters within their area of expertise.

3. Scope of Work (Tentative)

This scope of work is tentative for prequalification only. The specific duties and responsibilities will be detailed in specific Terms of Reference for each assignment which will be provided by the line department at the time of issuing TORs as per actual scope of work. Moreover, duration of each assignment will vary in duration and it will be specified in TORs for each individual assignment given by the line department. However, this prequalification does not guarantee award of work by the line department. The tentative scope of work entails:

- Preparation of PCs (Planning Commission Performas) for Government.
- Review the design, implementation of projects & inspection / performance monitoring of completed solar power projects;
- Suggest the recommendations for proper operation and maintenance of solar energy system keeping in view the existing regulatory framework;
- Review, validate and recommend the design already prepared by the departments/consultants and recommending modifications where necessary;
